Subject: INFORMAL INTEL UPDATE CURRENT

CCT - just a quick update on Common Intel Picture as of HENDON call at 1100 hrs to 1145 hrs.

1. Windsor
 - You have this information
2. Ottawa
 - Deteriorating situation, big truck numbers status quo,
 - More hostility over night, specifically toward police, increased defiance and calls for resistance, security measures taken while new tent erected, attempts to tow met with aggression,
 - the staging area at Jet Form Park is increasing logistics and expanding electrical supplies
 - significant counter-protest to occur at Lansdowne on snake march- could be source of contact
 - tension at FARFADAA Camp being dealt with by Gatineau Police
 - SQ and Montreal supplying excellent information on protests and rallies - this is going to our EOC and TPS and OPS CPs
 - OPS Intel very appreciative of this information mangement
3. SQ
 - up-dates on 11 convoys arriving at Ottawa River at approx 1230 hrs - 150-200 vehicles
4. SPVM
 - 4000 person rally in park, it is unclear how many will go to Ottawa - this requires further follow up with SPVM
5. CORNWALL
 - at bridge 200 protesters present, bridge not blocked, FN reps said any block would be met with opposition
6. CBSA
 - gathering info on Lansdowne which remains open
7. TORONTO
 - Our information collection efforts are working - PDs have people in ground at rallying points to supply information to TPS where an OPP analyst is present -
 - OPP has DL of clients including EOC
8. QUEENS PARK
 - no activity as yet - counter protest by health care cancelled
9. NIAGARA

- OPP and NRPS closed QEW - 150 vehicles in park by bridge- discussion of walking onto bridge to close
- 10. OPP (general)
 - updates on all areas provided focus on Windsor and border crossings
 - protest March in Ottawa likely to be Flashpoint
 - high commitment of participants - heightening more with increased demands
 - covert monitoring of planning locations
 - Covert Intel Teams on ground in Ottawa and Cornwall, removed from ground in Windsor prior to action
 - obvious presence of military style vehicle in Windsor being commented upon by protesters as military being brought in
 - copycat actions internationally citing Canadian action
- 11. GTA INSET - BOMB THREAT CALL OUT UNRELATED

The information in Intel Ops nationally is drawing very well. High participation and folksom contributions.

Pat
